Author Max Crack Free

Cracked Author Max With Keygen is a set of products that enable you to produce high-quality documents. All are delivered in Word as an add-in for Microsoft Word 2007 and earlier versions. The package consists of the following components:

- Editor - An editor to help you build a document with your own content.
- Headings and Footers - Help you construct professional, consistent and clean documents with style sheets that help you set page layouts and add other features such as copyright information.
- Lists - Help you build your documents with strong lists, and add bullets and numbering.
- Text and Attachments - Completely customizable text and attachment blocks.
- Smart Tags - Create headings, footers, lists and text formatting without having to resort to manual editing.
- Comments - Add and manage Comments easily with the integrated commenting tools.

Other Features:

- Quick text - You will find all you need to add, format and insert a wide variety of text and

graphics. • Search & Replace - Use the easy-to-use search and replace dialog to quickly search and replace text. • GEO-locations - Set specific Geo-locations so your documents can be located accurately. • Style Sheets - Apply consistent formatting to multiple sections of your document. • Tables - Design and format tables from scratch or import common table elements. • Clip Art - Automatically insert or remove picture elements in your document. • Chart - Create charts from scratch or import a standard chart. • Keyboards - Control the flow of your document with what you type. • Multiple outputs - Create, send, and store your document in multiple formats. • Web Publishing - Build your document as a web page, an attachment in email, a formatted and printable PDF document, and more. When installing Author Max, you can choose a license to suit your needs. A year is \$150, a half-year is \$75, a three-month is \$50, a month is \$30, a week is \$25, or you can purchase a one-time perpetual license at \$150. The Author Max editor allows you to view the document as you build it with powerful tools that are easy to use. I found the article I needed here. It wasn't a bad article. But I'm still not sure if this can really help me. Am I going to end up spending more money than I have? Also, I only have Word, so

Author Max Crack Product Key Full

Author Max Crack [Win/Mac]

Author Max for Word is a revolutionary new tool that automates and streamlines your formatting, styling, and workflow. Author Max makes it easy for Word users to produce professional-looking documents that look like they were typed by a human. Author Max is built on the Word API and leverages the power and accuracy of the Word API to do its work. In addition, Author Max supports templates and makes it easy to create documents that fit your business needs. Author Max is included with Word 2010, and is designed to work with your own in-house templates. Your customized documents can be exported and saved as DOC, RTF, XPS, or PDF files. Author Max also supports CCS and TIF image attachments. Author Max features:

- Formatting and styling.
- Rich content features.
- Text merging.
- Document layout and more.
- Optional text wrapping.
- Built in templates.
- Form, HTML, and more.
- Single sourcing.
- Easily reference "external" documents.
- Automated front matter, headers and footers.
- Easily insert images and graphics.
- Option to control comments.
- Instant check for errors.
- Quick syntax check.
- Page breaks and tables.
- Workflow improvements.

Author Max will enable you to work faster and more productively by leveraging the capabilities of Microsoft Word, and eliminating many of the roadblocks that plague Word users. Author Max is

already field-proven in the most demanding work environments. After installation, the Author Max toolbar is available whenever you open Word. You can use Author Max in tandem with your own in-house templates. Customization of Author Max is available at reasonable hourly rates. Author Max works with Word 2007 and earlier versions. Pre-flight check for errors in styling, references, unmatched characters, embedded comments, revisions, and more. Sharp, Professional, Consistent: Automatically insert front matter (cover page, notices, table of content and more), headers and footers, graphics and captions, and more. Here are some key features of "Author Max": □ Work faster. □ Better looking output. □ More consistent output. □ Reliably cut and paste. □ Single sourcing.
